

PHOTOGRAPHER'S ASSISTANT POSITION DESCRIPTION

One photographer's assistant is needed to be available during each shift at the event to work directly with the photographer, tracking the photographs and taking notes on the subjects as instructed by the photographer.

Photographer Assistant for the first shift should arrive, check in at the volunteer table and **be with the photographer by 10:00 am**. Please plan to have your lunch when your shift is over.

Photographer Assistant for the second shift should arrive early enough to have their lunch prior to the beginning of their shift, check in at the volunteer table prior to your lunch and **be with the photographer by 12:30**. This will allow time to partner with the person that you are scheduled to replace to become familiar with your duties.

Documentation should be provided to the Photographer at the end of the event.
