

BUSSER/RESETTERS POSITION DESCRIPTION

Stations 100-700 will have 2 **bussers** and 2 **resetters** on each shift. **Bussers** and **resetters** will work as a team. The table busser will clear places that are vacated by wiping any spills, or crumbs (Sanitizer will be provided and must be used for this) and discarding the empty bowls, napkins, cups and plastic utensils – note that trash must be divided into that which is compostable/recyclable and that which is not. The **resetter** will then reset each cleaned place with a placemat, 2 napkins and plastic utensils.

Each **busser & resetter** team is responsible for approximately 5-7 tables.

Bussers & Resetters for the first shift should arrive, check in at the volunteer table and **be at their designated stations by 10:00 am**. Please plan to have your lunch when your shift is over.

Bussers & Resetters for the second shift should arrive early enough to have their lunch prior to beginning their shift, check in at the volunteer table prior your lunch and **be at your designated stations by 12:30**. This will allow time to partner with the person that you are scheduled to replace to become familiar with your duties.

Heavy lifting is not required
